## Project Title: Roller Derby Website

I'd like to build this site as multiple pages, rather than a long, single page website. I mainly want it to serve as a basic guide to roller derby with a basic overview and history but the specifics of how the sport is played. All the information can be found here

[https://en.wikipedia.org/wiki/Roller\\_derby](https://en.wikipedia.org/wiki/Roller_derby)

- **Intro Page:** not much content just roller derby and other pages will focus on:
- **Overview**
- **History**
- **Basics of Play:** This will include the logistics of the game, equipment, officials, score system, etc.
- **Revival/ Contemporary Representation**
- **Sources** – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
