

Creative Director: Nitzia Davalos Reyes

Designer: Hana Rust

Initial Meeting

ASL Microsite

Structure: clean, organized sections; clear navigation between pages

- Main landing page with introduction to ASL and navigation
 - o Keep navigation consistent across pages
 - o Sections:
 - history
 - culture
 - basic grammar

Tone: Informative, energetic, and inclusive.

- Make sure the site feels inviting and educational
 - o Prioritize accessibility (contrast, readability)
- Visual style: Educational and classroom-inspired/ friendly and easy to navigate
 - o Serif body text for legibility, script or educational like type for headers
 - o Use visuals of hands and signs to make content engaging
 - o Primary and/or vibrant colors
